## Attitudes

By George Schmidt, Past President

I had a glitch with my November Forester article. The email never got to Arlene. One of the problems with email is once you send it you assume the communication is made. No so!

The flavor of my Thanksgiving article was about not just being thankful on one day. We ought to have an Attitude of Gratitude. With a few changes the article still makes sense.

It is a time to be thankful, to feel thankful and to express thanks. No matter what you think or believe thanks giving is healthy thing to do. Studies show that thankful people have less stress and live longer. It is common sense. We should have thankful hearts everyday and not just on the 4<sup>th</sup> Thursday of November. We should have an Attitude of Gratitude.

An old crusty sea captain comes home after 6 months at sea. He walks into his cottage and seeing his wife barks, "Bring me ale." He has no joy, no appreciation for the moment.

A young, freshly wed, man comes home from one day at the office and says, "For a nickel I will give a kiss." His bride responds, "Here is a quarter!"

Too often we go through life taking for granted what we have. Take a moment each day, look around, and count your blessings.

A young girl scout, Megan, was swimming at the mouth of the Allegheny River in Tionesta, PA. The water was seemingly shallow. She was not a good swimmer. As she walked out she stepped out off a ledge and went into the deep. She thought see was a goner. Another scout, Brittany, reached out and grabbed her and pulled her in.

Later in the shower house Brittany turned to Megan and asked to borrow her comb. Megan snapped, "No!" It took her 30 minutes, until Megan came to the realization that she had refused her comb to the person that had just saved her life.

Everyday we are confronted with people who do not show their gratitude. We cannot be responsible for the way others respond we can only be responsible for our own gratitude.

Each and every day we ought to give thanks for life itself, all those things that sustain life, for people and all those wonderful things those people do for us. Live with an Attitude of Gratitude.

George

# **FPCA BOARD MEETING MINUTES**

**BOARD MEETING NOVEMBER 13, 2007**

**By Carol Overfield**

The meeting was called to order by President, Dave Paul, at 7:10 at the Epworth Methodist Church. Board members attending were Dave Paul, Carol Overfield, Arline Ries, Dick Buttermore, Mike Stone, Bob Hinebaugh, JoAnn Jeck, Kit Race, Lyn Denney and George Schmidt. Excused was Carol Pence.

George Schmidt made a motion to accept the minutes from our last meeting. It was seconded by Mike Stone and approved by all.

Dave Paul gave the President's report. A contract for a 161 special improvement district was approved by Northland Alliance. There have been on going cleanups for 161 and Cleveland Ave. There was a good turn out for candidates' night last month. Dockside Dolls appealed the suspension of their liquor license. A judge granted a stay and they will go to court again in January. The 2012 Commission is a group of 13 focus groups to define the needs of the community. A bond issue will be on the ballot next November to pay for their ideas. The 161 Task Force has created a business block watch for 161.

Dick Buttermore made a motion to accept the Treasurer's report. It was seconded by Mike Stone and approved by all.

The new budget for 2008 was approved as written. George Schmidt will chair a social activities committee.

Mike Hammel, owner of apartments on Arborwood, is concerned about crime in his area. He wants security to patrol this area.

Sequoia Bowling has been cited for the banner they have displayed on the side of the building.

We have collected \$19,215 for membership this year. That is 33.4% of the residents.

Arline says she needs articles to put in the Forester. There are a lot of areas not getting The Forester. George will investigate other ways to deliver it.

Lyn Denny had a NCC handout from the Sierra Club on how to curb global warming.

Mike Stone reported that the development committee is working with Menards on the graphics for Northland Village.

The civic action report was given by Dick Buttermore. Problem with moving van in driveway on Redwood blocking the sidewalk. High grass at Cherrywood and Yellowwood. A tractor trailer in the Sandalwood Shopping Center.

Detective Atwood made a report about the Hispanic gangs at the last block watch meeting.

There was a lengthy discussion about excluding area 13 from Forest Park. We have only had 2 residents pay for membership the last couple of years. We have the expense of sending membership applications and delivering the Forester. It was suggested we not send the Forester. We didn't have enough board members present for a vote so was tabled until our next meeting.

We adjourned at 9:25.

## Northland High School by Cecilia Marrone

Hard to believe, but the Holidays are upon us and Winter Break is just around the corner! That doesn't mean that things come to a halt at NHS, no way! Winter sports are under way and we had an exciting fall sports season. Kudos to our Boys Soccer Team coached by Mr. Nourse on back to back City Championships defeating Briggs 7-1 at Crew Stadium in October. That is not all for our Vikings, the Cross Country Team was runner up in the City League Meet and the JV Volleyball Team went undefeated for the City League Championship! We have several First Team All City Athletes to congratulate: Najah Broswell, Girls Tennis; Ebenzer Dapaa, Boys Soccer;; Alexander Holley, Boys Cross Country; Harrison Poku, Boys Soccer; DaShayla Robinson, Girls Cross Country; and Prince Sinkinah, Boys Soccer. Way to go! Look forward to updates on Boys and Girls Basketball, Swimming & Diving and Wrestling in upcoming issues! If you are interested in coming out for a basketball game, the games are on Tuesdays and Fridays, admission is \$5.00 and you can contact the school at 365-5342 to find out when the next home game is, we'd LOVE to see you come out to support our student athletes!

Something really cool that took place at NHS to honor our Veteran's Day on November 14. We were honored to have representatives from the NROTC Unit of OSU, West Point, the US Army, US Marines and US Navy to present our Nation's colors along with military memorabilia. There was a banner displayed in the lobby for all of the students to sign messages of gratitude and encouragement to our troops and it will be sent to a military unit serving in Iraq. Paper stars were available for students to write the name (s) of loved ones who serve or served in the military and special gold stars for those heroes who gave the ultimate sacrifice. And finally between 2nd and 3rd periods there was a silent class change to honor those from our NHS family who serve or have served in the military and several of our trumpet players played Taps.

Speaking of band members, marching season is over and Symphonic and Concert bands have been set and rehearsals are intense and often. The band was invited at the last minute to march in the Easton Parade on November 16 and that is always fun and gets everyone in the Holiday spirit! If you want to hear how amazing our bands are, come on out on Thursday, December 6 at 7:00 p.m. and hear for yourself. That is the night of our Winter Concert and it is something to behold, you won't be disappointed! The following week, on Thursday, December 13 at 7:00 p.m. is the Winter Choir Concert by our superb choir.

To wrap up, winter break begins on December 24 and school resumes January 7 and we at NHS want to wish you and your family and loved ones a very Happy, safe and healthy Holiday Season!

### COMMUNITY SERVICE AREA REPRESENTATIVES NEEDED FOR 2008

Our Nominating Committee will be seeking new Area Representatives for 2008.

In Forest Park East - areas: 7, 8, 10, 11, 12, and 14.

In Forest Park West - areas: 1 and 4.

The MAP section of your Forest Park Directory delineates all these areas quite clearly. It's preferable but not required that an Area Rep live in their own area.

Area Representatives are voting members of the Board of the Forest Park Civic Association. The main duties of an Area Representative are attending monthly Board Meetings (2<sup>nd</sup> Tuesday of each month at 7 pm) and recruiting section reps for the door-to-door phase of the Membership Drive in their area (June through September). Further involvement is encouraged on a voluntary basis.

If you are interested in community service in this or any other capacity, please call Dick Buttermore at 885-1434 or e-mail at [thebuttermores@wideopenwest.com](mailto:thebuttermores@wideopenwest.com) for further information or discussion.

**IN MENORIAM**  
**BRUCE BISCHOFF**

Bruce Bischoff of Vinewood Court passed away on Friday November 2. Many, many, many residents will remember the years he and his wife, Toni, owned and managed the Sequoia Pool and made it an invaluable part of the good life in Forest Park.

Others may remember him as the thin 81 year old riding a commercial double lawn mower, cutting residents lawns and our islands as recently as October as part of his landscaping business with his son Paul!

We remember him as one of the sweetest men we have ever met.

**PLEASE DON'T FORGET**

To disconnect your lawn hoses from your outside faucets. If they are not disconnected, the hard winter freeze will cause your outside valve to split. Then, when you try to turn on your outside water in the spring, the water will spray from the split pipe into your basement.
