COTA Comprehensive Long Range Transit Plan

By Arline Ries

366,854 by 2030.

What is the Public Involvement Program of COTA's comprehensive Long Range Transit Plan. An ambitious program has been developed consistent with the three phases of the planning process. A combination of activities will give citizens throughout central Ohio a variety of opportunities to involve themselves in the process and to affect its outcome. Informational and input opportunities include Public meetings, surveys, focus groups, and an interactive website.

A series of public meetings will be held for each phase of the planning process - at the beginning to help identify needs, at the mid-point to provide input on alternative concepts, and at the end to respond to draft plan recommendations. The meetings will be held throughout the COTA service area. One such meeting was held at our general membership meeting held in April at Epworth United Methodist Church.

The North Corridor Transit Project was discussed in length stating the plans for our area. The corridor has the region's highest population concentration which is projected to grow by 31% and have a population of 366,854 by 2030.

The North Corridor has 37% of the region's jobs and employment is projected to grow by 28 percent by 2030.

The North Corridor experiences the highest traffic congestion in the region, which is projected to increase significantly in the future.

Four alternative transit modes are under study for the North Corridor:

- ♦ Enhanced Bus (also known as No Build) - minor modifications to the current transit system, using conventional buses. Most of this option is carried forward in the alternative below.
- ♦ Bus Rapid Transit - high capacity buses designed for fast loading, with some or all operations within dedicated transit right-of-way.
- ♦ Bus Rapid Transit - high capacity buses designed for fast loading, with some or all operations within dedicated transit right-of-way.
- ♦ Streetcar - single electric vehicles with overhead power operating in exclusive right of way or mixed traffic.

(More details next month).

PROPOSED CONSTITUTIONAL AMENDMENT

To be voted on at the General Meeting, July 11, 2006

"Minerva Park Place" Amendment

The purpose of this proposed amendment to the Forest Park Civic Association Constitution (last amended January 2005) is to remove the language added by a prior amendment, approved in October 1999, which added Minerva Park Place subdivision to the FPCA Service Areas as defined in Article 1.A.

The text of the prior amendment was:

Expand the area included in the Forest Park subdivision and Modify Exhibit 1.B as follows: add to the Forest Park Civic Association Area the tract of land bounded on the east by Cleveland Avenue, on the south by the easement for Minerva Avenue, on the west by Avalon Avenue and on the north by the southern edge of the Columbus Board of Education Property if it were extended to Cleveland Avenue.

FOREST PARK UPCOMING EVENTS

By Arline Ries

Forest Park Civic Association has for many years sponsored Beautification Awards to a FPCA MEMBER in Forest Park East and Forest Park West. The two winners will each receive a Certificate of Recognition with a photograph of their home along with a check for \$50.00

During the next month residents will be busy planting flowers and beautifying their yards. It is a very difficult decision choosing winners as there are so many well landscaped yards in the Forest Park community.

Nominations are accepted from any resident of the Park and can be mailed to Arline Ries, 5700 Sandalwood Boulevard, Columbus, OH 43229.

Carol Overfield and Arline Ries co-chair this event and we are looking forward to receiving your entries!

NOTES FROM NORTHLAND

By Cecilia Marrone

The end of the school year is upon us and it has been a great one at the home of the Vikings, Northland High School have enjoyed the support of many businesses in our community, Meijer, Steak and Shake, and O'Charley's to name a few and thanks goes out to them. We would also like to thank you, our neighbors because Northland High School is your school in community and our students' successes come from their hard work, dedication and your support. Congratulations and best of to the class of 2006!

Our Summer Band program will start on June 19, 2006 and run through July 14, 2006. It takes place at the school 8:00 a.m.-12:00 p.m. Monday through Friday. There are many opportunities available, most classes run 1 hour long each 2 days a week with the exception of Marching Band which runs from 8:00-9:45 three days a week. The opportunity is open to students in grades 4-12 and anyone interested should contact Danny Gleich at 899-6424 or email him director@wildcatmusic.org (Mr. Gleich is the Instrumental Music instructor at Woodward Park Middle School). There is a registration form in this issue for pre-registration. You will see the cost is \$30 for pre-registration, \$35 for on site registration instrument rental is available. The Summer Band program culminates in an outdoor concert held at Northland High School Thursday July 13, 2006 at 6:45 p.m. (weather permitting) and it promises to be a great show!

We would like to thank everyone who came out to O'Charley's for Northland Night to support our Marching Band and drive to raise money for new uniforms, with a special thanks going to O'Charley's for allowing the Vikings to invade their corn the world. We'll let you know how much was raised in the next issue. As mentioned last month, anyone wishing to contribute to uniform fund need only contact the school to find out more information on how you can help.

Officer Lacy would like to remind everyone that the end of the school year brings increased numbers of kids with their hands. Be a good neighbor, watch out for each other and for kids on bikes, walking, playing, etc. and should you have concerns call the Columbus Police.

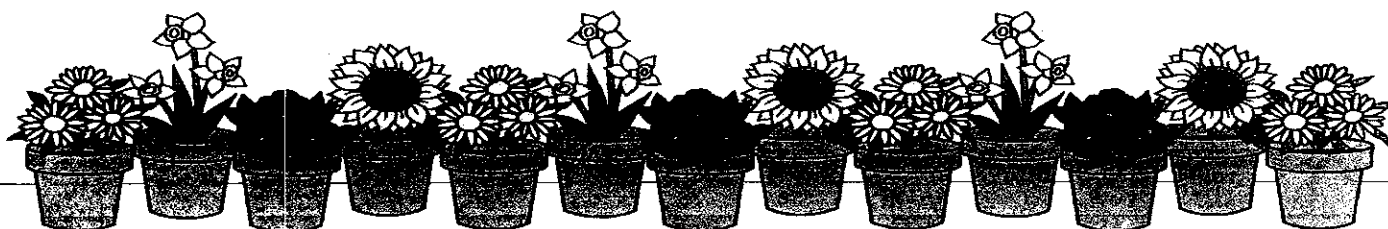

Thank you again for your support and as always, if you have any questions or concerns please contact the school at 5342. We are a great high school where Character Counts and community support means everything.

NEIGHBORS HELPING NEIGHBORS

ATTENTION: ALL FOREST PARK RESIDENTS

Our neighborhood is undertaking a program to reduce the opportunity for residential burglaries and thefts to occur by establishing a network for concerned citizens to communicate with other neighbors and the Columbus Police Department regarding crime related problems.

The security of our residential life depends upon ourselves. No police department can effectively protect life and property without the support and active cooperation of the citizens who it serves.

We would like to invite you to participate in the Neighborhood Block watch Program, conducted by the Crime Prevention Unit of the Columbus Police Department. The Block watch Program will started with a series of three meetings.

If you have not filled out the following blank indicating your interest in being a part of the Block watch program in Forest Park, please do so now!! The more residents involved will help make the program more successful.
