## Neighbors making a difference

By Ken Gilbert, FPCA President

As I write this, summer is still here. But fall (and football) is coming. Time to reflect a bit on how the year has gone so far. We've been busy. Potholes have been filled. We've had a successful Fourth of July parade. My wife and I were able to go around on National Night Out and visit 6 different events in Forest Park (I'm sure there were more) with over 70 guests. We saw other neighbors sitting on their porches as we drove around our community. We followed that up with the Northland Community Council picnic at the Northland Swim Club. Unfortunately, as seems to have become a tradition, the night was cool and damp--though some brave swimmers still dove in. But the fellowship of community leaders and residents was warm and friendly. We were gratified to see so many friends there. We hope these events will continue to grow in the coming year.

It is also time to look ahead a bit. We will be looking for folks to serve on our Board in 2015. There's always attrition, for many reasons, and we thank those who have served and served well. We can always use new members. If you would like to take a more active role, please call or e-mail me (kgilbert78@att.net). The Welcome Committee can use greeters for our new residents. We also would like to firm up our area representatives for each of the 14 areas in Forest Park. Please look at the maps on our website ([http://www.fpcivic.org/wordpress/wp-content/uploads/2013/03/Forest\\_Park\\_Maps\\_web.pdf](http://www.fpcivic.org/wordpress/wp-content/uploads/2013/03/Forest_Park_Maps_web.pdf)). If you live in an area and would like to be considered for the position, please let me know. The requirements are living in the area and being willing and able to attend monthly board meetings and represent the neighbors in your area. Currently we do have a recent vacancy in Area 3, which is essentially the northeast corner of Forest Park West. We'd like to thank Amy Likens for her service as the Area 3 representative.

Please feel free to come out to our September meeting, Tuesday September 9, at Epworth United Methodist Church on Karl Rd. at 7 pm. As always we will have a time early in the meeting for residents to voice their concerns and speak with our police and city liaisons.

Keep your eyes open as children start back to school. There are many young elementary and middle school students waiting for buses or walking to school in the morning and with the autumn changes daylight gets shorter each day. Have a Safe and Smart start to this new school year. Remember your speed in the neighborhoods.

Dear AEP Ohio Customer:

We are warning all of our customers of a payment scam being conducted via phone in various areas of our service territory. We continue to hear reports that customers are receiving calls threatening to shut off their power if they don't make an immediate payment over the phone with a money card. **This is a scam and people are using our name illegally. The people making these calls are not from AEP Ohio.**

We work hard every day to make sure all of your interactions with AEP Ohio are positive. AEP Ohio enforces strict policies regarding customer interaction.

Please remember:

- We do not call customers to demand immediate payment.
- We notify customers with delinquent accounts via their customer bill.
- We contact non-responders via a recorded phone message to ask that the person responsible for the electric service call AEP Ohio.

If you doubt whom you are speaking to or the truth of what they are telling you, please hang up and call AEP Ohio at 1-800-672-2231.

In addition, please know that AEP Ohio employees work in marked vehicles, wear clothes with a company logo and will gladly show you company identification when asked. Again, if you are in doubt, please verify the legitimacy of the person's employment by calling 1-800-672-2231.

We value our relationship with you and will continue to do our best to bring these types of situations to your attention. For more immediate AEP Ohio updates, please be sure to follow us on Twitter (@AEPOhio) and/or Facebook.

## Neighbors keeping Forest Park a Community

A good community will have a person who is willing to serve others without personal gain. A better community will have a few more. Your community has hundreds who work to support and maintain the neighborhood, donating time without the expectation of personal profit.

Below are the names of volunteers who served the Forest Park Civic Association this summer going door to door working with the Outreach Membership Drive. This service was critical to the continuation of the Forest Park Civic Association. If you recognize names on the list, please thank them for their dedication to your community the next time that you see them.

If you have not already done so, please return your membership dues as soon as possible. Our neighborhood will be as good as the number of people we have supporting it. Be like our membership volunteers and help make a positive contribution!!!

You can contact me with any questions about becoming a member of Forest Park. Mike Stone, 218-1788, or msto0103@yahoo.com.

## SUPPORTING OUR COMMUNITY – CURRENT ACTIVITIES AT THE NORTH YMCA

### Social Responsibility:

Shelter Supply Drive: Blankets, twin sheet sets, feminine products, toothbrushes and toothpaste are being collected to benefit homeless adults and children at the Van Buren Front Door Shelter. Items can be dropped off at the North YMCA.

School Supply Drive: School supplies to support 3<sup>rd</sup> Graders at Salem Elementary school are being collected now through August 13 at the North YMCA. Pencils, bar erasers and wide-ruled loose leaf paper are in most need. In the future we hope to expand this service project to support additional schools. Items can be dropped off at the North YMCA.

Project 229 – 229 in the 43229 – Good for our 'Hood! September 8-19 our goal is to raise funds that would ensure 229 youth and teens in our community have access to skill-building, leadership building programs at the Y!

### Youth Development:

- Fall session programs begin September 5. Activities include Teen Volleyball for girls, Flag Football, Youth Soccer, Swim Lessons for all ages and much more.
- Teen Leaders Club: A leadership club for teens that involves service learning initiatives and exploration of leadership building activities. Will begin again in September.
- Robotics Camp: An overnight at YMCA Camp Willson that introduces children to the world of Lego Robotics building!
- Teen Foundations: A free After School program for teens, grades 7 – 12. Monday – Thursday throughout the school year, teens can receive homework help and participate in a variety of programs at the Y. This is a supervised program and will start in the school year.
