## July 12, 2016 Minutes

By Interim Secretary Catherine Gilbert

The meeting was called to order by President Ed Vanasdale at 7.01 pm followed by the Pledge of Allegiance and roll call of the officers. The June Treasurer's Report was presented Dan Hartzell, voted on and approved by the board.

Guest speaker Columbus Police Chief Kim Jacobs apologized for not being able to make it when previously scheduled and talked about the Precinct One substation to be built near Sancus. Precinct 18 will remain on Morse Road without losing officers. Forest Park is located in Zone One which includes Precincts 1, 6, 16 and 18 and is the zone with the lowest rate in overall crime.

National Night Out will be Tuesday, August 2 and all residents are encouraged to participate. For more information you can visit the National Night Out website at: [natw.org](http://natw.org)

Columbus Police will have a recruiting expo on Thursday, July 14 at 1000 N Hague designed to provide people an idea of what to expect as a Columbus police officer.

Last year, the Police department hosted 5 community question and answer meetings. Since then Chief Jacobs has participated in dialogues with people in a non-confrontational way. The Northland area dialogue meeting is scheduled for Monday, July 25 from 6-8 pm at Gillie Recreation Center on Morse Rd., with be opportunities to share concerns and ideas. All residents are invited.

Opportunities to learn about the police dept. or what an officer's day looks like include: the Columbus Citizen's Police Academy for community members to learn what the police do. The 12 week class begins Wed., August 17. See the Columbus Police website for more details.

A police ride-a-long which can be arranged by calling a sergeant at your local precinct. (One lady shared about her ride-along during the question and answer time)

There have been recent public announcements about heroin warning that it kills at very high rate due to mixtures with other drugs. Someone who thought they were selling heroin caused 2 people to die. If you know someone who struggles with drug abuse, you are urged to keep the antidote Naloxone in your home.

Follow Columbus Police Dept. on Facebook and Twitter. You-Tube has 11 FAQ segments.

The police department provides training to help officers get equipped in areas they might not have experience in addition to their initial 29 weeks at academy plus 15 wks of field training.

Some officers will soon be testing body cameras while a committee is working on polices including privacy issues, like really graphic videos being published on TV. 70 times officers were cleared/exonerated because of video evidence. With the cost, the voters will decide what is going to be cut to have police cameras: roads, parks, police or fire dept. or other community needs.

At 8.12 pm the following announcements were made:

FPCA Neighborhood Picnic is Sunday July 17 at YMCA, more volunteers needed

St. Andrew Presbyterian Church, 1450 E. Dublin-Granville Rd, is hosting a CRAFT FAIR AND COMMUNITY FUN DAY on Sunday, August 28, 2016, from 1 to 6 p.m. on the church lawn.

We'll have food trucks and carts (kettle corn, hot pretzels, flavored ices, hot dogs, BarBQ, etc.), 24 vendors, reps from community associations with information tables, and the John Glenn High School Steel Band.

This is not a fundraiser for the church. It's an afternoon where neighbors and friends can come, mingle, enjoy music, crafts, and good food...and bring some excitement to the neighborhood.

St. Andrew is located between Karl Road and Ambleside Drive. We hope to see you there!

## President's Message

By Ed Vanasdale, FPCA President

I hope that everyone's summer is going well. We all enjoyed the Forest Park Picnic at the YMCA on July 17. Hopefully, you attended and, also, had a good time. We have Felix Quachey, our Vice-President, for his diligent work to make it happen. We thank Malik Moore the Y's new director for allowing the use of the YMCA grounds for the event. Further thanks must go to DJ Dre for the music and the help of the board members for the generous gift of their time. Please let us know if you liked the picnic. If you liked it, we shall plan to make a summer Forest Park picnic an annual event. Let me know by phone, 614-847-1491 or on the Forest Park facebook page.

If you have not yet joined our association, please send in the "household sheet" with the \$25 fee to join. We really would like to have as many residents of Forest Park East and West as members. The more interest we have in the group will allow us to provide more events such as the picnic. At one time Forest Park came together with several social events. We'd like to become that organization again.

The Forest Park Civic Association's meeting will be held as a part of the Northland Community Council meeting at the Northland Swim Club on August 9 at 6:00 pm at 5006 Almont Dr. Bring a sidedish to share and your swimsuit. The entree, drinks, and plates and utensils will be provided. Please attend.

### Hard to Believe but School will start in August

- Slow down and watch the speed limit in the neighborhood for people walking on all streets, not just those near a school.
- Students will be waiting for buses in the morning so be on the lookout for those kids
- Always stop for school buses with Flashing Red Lights.

# Thanks!

As mentioned in the June Forester, the Dispatch/The Bag, is no longer a viable option for us to deliver the Forester each month due to the costs. In the meantime, both the Beechcroft and Northland High School STEM clubs have taken over the job of not only delivering the Forester door to door but also taking additional time to stuff them into plastic bags. As seen above Donato's pizza gets the job done quicker. FPCA appreciates their service this summer.

**\$100 - Schoedinger Funeral Home, First Merchants Bank, Krieger Ford**

We had over 60 entrants in the parade. Mayor Ginther was marching with us. Our Grand Marshal Jack Park was a great hit. For the first time we had a Junior Grand Marshal, a young high school student, Henry Bright, who wrote a stirring essay on how to improve our community by using positive dominoes. You can check out the photos of the parade at:

We appreciate all the volunteers who worked on the Bikes and Trikes, the Forest Park float, all the people who carried banners, the Northland Band, The Northland and Beechcroft STEM clubs, and all the wonderful groups who walked in the parade.

## Caring for Our Neighbors and Our Community is What Makes Forest Park a Great Place to Live!

I have been blessed with such wonderful neighbors that surround my property, as well as many others in Forest Park that I have met and become friends with while living in Forest Park for the past 17 years. At this year's Northland Parade on July 4<sup>th</sup>, I met a lovely family visiting from New York, who are so excited to be moving from the hectic city life to Forest Park. Their son-in-law and daughter and their small family have lived here in Forest Park for over a year, and both couples had so many wonderful things to say about Forest Park! They are eager to become part of our community and to get involved in the Civic Association. While we have a wonderful civic association, with committed individuals and couples, we would love to see more residents come out to the meetings as you are able, and share in the pleasure of meeting, getting to know these and other neighbors, and sharing in all of the great things that are going on in Forest Park. Many hands make light work, and we would love to meet and come alongside others that have great ideas and talents to share in making Forest Park an even greater place to live and raise a family. We desire to be a good example, and to have good times while promoting love, care, and respect for each other, to other communities in Columbus, our state, our country, and around the world. May we all have the attitude "that love, care, and respect have to start with me".

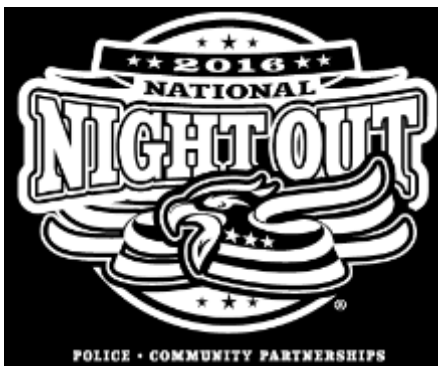

For the 8<sup>th</sup> year, on Thursday, September 8, 2016, many people will once again meet together on Tamarack Circle for the "Circle of Prayer". It would be great to be able to form a circle all the way around Tamarack Circle, neighbor next to neighbor, next to sister, to friend, to child, to parent, to teacher, to business owner, to police officer, and the list goes on and on. Let it be our desire to demonstrate to others that in our diversity, we are able to come together for the common good of everyone. Let's accomplish this together in one accord, to pray for the restoration, and revitalization not only of our community, but for other important things that affect our world.

We will meet at the Dairy Queen at 1900 Tamarack Circle South. Arrival time is 7:00 p.m. for fellowship, meeting new friends, and instructions. Prayer will begin promptly at 7:30 p.m., ending at approximately 8:00 p.m. All individuals, families, friends, Churches, leaders, and business owners are invited to join us for this important event! All Forest Park residents are encouraged to join us.

If you or your Church would like to be more involved, please call 614-505-0414 or 614-315-2848, and please mention "Circle of Prayer".

Looking forward to seeing everyone in our community!

## The 161 Task Force

By George Schmidt

I hope you have noticed the work being done on 161. We have had 4 trash pick days with a total of 160+ people and over 200 bags of trash. We have raised money to get a private landscape company, Garcia, to cut the grass 5 times. That is over 3 miles, both sides and medium, including trim and trash pickup. 18 of the 22 landscape boxes have caregivers.

In addition to what you can see has improved, there are a lot of things going on behind the scene. We have meetings the first Thursday of every month at 8:00 AM at The Church of the Good Shepherd across from Beechcroft HS. Our city police and code people attend. We have tripled our business involvement. We have over 50 businesses that have done something for the common good. The city has a traffic study complete and will be ready for our consumption in October.

**We have met with the mayor's office and with the Chief of Staff for city council president.**

Our goal is to keep the momentum going that has been gained with the hotels. We want to find ways to help the motels get legitimate business. They are the most scrutinized businesses around. I hear great things from their guest now. We need to keep the momentum going by supporting all our businesses. We need to keep the momentum going by showing up to volunteer. All of these efforts need to build on one another so that in four years we can be well on our way to accomplishing what we did on Morse Road.

Contact [georgeschmidt1949@outlook.com](mailto:georgeschmidt1949@outlook.com) with any ideas or to offer to help. We have visited all 378 businesses twice now, in person, to deliver a newsletter. We can use people to help us with that. If you like to meet people and have a little sales in your blood and have some time join us in visiting the business owners. You will discover some gems. You meet some negativity as well. The idea is to get to know the businesses and the needs. Have them help us to contact their landlords? We eventually need to sell our ideas of a great Dublin Grandville Road to the owners.

Many hand makes quick work.

### Forest Park Picnic at YMCA

We had a great time with all the neighbors who attended our Forest Park picnic on July 17th. A BIG THANKS to Kroger, for the drinks, food and DJ Dre for the lively music that got us up and doing some fun dancing. We also appreciate YMCA for the use of their facilities here in the heart of Forest Park and to Giant Eagle for their sponsorship to the picnic. See you next year!!

# Thank You!

Columbus Police Chief Kim Jacobs joined us at the July FPCA meeting. She gave us updates and news of what the Columbus Police are doing in the neighborhoods. We heard of programs that Columbus citizens can be part of (see July FPCA minutes) and she addressed questions of those attending. We appreciate the time Chief Jacobs spent with FPCA.
