## What's Going on Around Forest Park.....

Submitted by George Schmidt

A philosopher once said, "As business goes, so goes Rome." I think that we as homeowners know the importance of having good businesses in and around Forest Park. We do what we can to support the local businesses. The Northland community, including some key officers from Forest Park helped to close down the crime ridden hotels on 161. Now we are working to help those hotels build up a strong base for positive growth. The hotels are under great scrutiny. They are following strict rules. We all can feel confident recommending people to stay there.

NABA (Northland Area Business Association) is one organization that works specifically to promote business. There are a number of events that help businesses to connect to help one another. You should urge the shops you frequent to check out NABA, [www.nabacolumbus.org](http://www.nabacolumbus.org). On September 15 NABA sponsored a golf outing for the community. Part of the proceeds went to support the children and family programs at the North YMCA. By the way NABA is a direct product of efforts made by Forest Park via the Northland Community Council.

Forest Park residents should take advantage of the free programs the Y has to offer to all us. On October 22 the North YMCA is hosting an indoor cycling event that supports a free wellness program for cancer survivors. "LiveStrong at the YMCA" is a healthy lifestyles program that is offered twice a year at no cost to cancer survivors. If you're interested in learning more about LiveStrong at the YMCA call the Y at 614-855-4252. If you want to ride in the event, please email Trevor at [tsecord@ymcacolumbus.org](mailto:tsecord@ymcacolumbus.org)

In the area of life safety, the Y is continuing to offer swim lessons. I do not know how many people have told me they wish they would have learned how to swim when they were young. Please consider getting this valuable life safety tool for your children.

There is a way you can help improve our schools. Each school has a Community Advisory Board. It is made up of administrators, teachers and community members. We have three elementary schools in Forest Park, Forest Park, Parkmoor and Avalon. Our newest FPCA board member, Area 12 representative, Gina Riverva, is the PTO president at Avalon. We need to do more than just complain about how poor our schools are doing. This is your chance to have an impact. FPCA had a booth at the Avalon welcome festival. Contact one of the schools or me. I can help you get connected. We are working with the schools to stay connected and show the students the importance of local government.

Happy

It would be great to have 161 people for a giant photo. We want to multitask: clean up trash in every section, winterize the landscape boxes and trim the trees. Please bring hoes, trimmers, rakes, etc. Please wear bright clothing and sturdy footwear.

Bags, gloves, safety vest and pick up tools are provided, but please bring these if you have them. Be sure to sign in, have some breakfast and get in the photo. We want the photo to help tell the story.

**FOREST PARK CIVIC ASSOCIATION****September 13, 2016 Minutes****By Catherine Gilbert, Secretary**

The meeting was called to order by President Ed Vanasdale at 7:02 pm and started with the Pledge of Allegiance by all in attendance. Roll call of the officers was taken by the secretary. The Beautification Committee Awards winners for first and second place in Forest Park East and Forest Park West were announced by Treasurer Dan Hartzell, who also presented the July and August Treasurer's reports, which were voted on and approved by the board.

Columbus Police Liaison Clinger and CRT Officer Rowlands answered various questions and provided the following reminders. With cooler and cold weather coming, leaving your unlocked car warming up in your driveway with keys in it is an open invitation for thieves to take it. There have been many reports about items being stolen out of unlocked cars; do not leave anything that might look valuable in your car. The non-emergency police phone number is 614-645-4545 and hit the "\*" key to skip all the prompts. Slow down in school zones; speeders are receiving tickets.

President Vanasdale thanked everyone for coming out and proceeded to a discussion of the financial situation of the Civic Association, on which the board members had previously received emails. FPCA is projected to be \$3900 in the red by Dec 31, 2016. Forester costs have gone up, Forester ad revenue has not been covering the expense, and FPCA household memberships are down this year. "The Bag" quit delivering "The Forester" earlier this year. The Forester costs about \$1700 per month to deliver it to your house, including the cost of the bags and a \$250 donation to STEM clubs to deliver it to almost 2,900 household.

The executive board met in emergency session and proposed the following cuts to eliminate the deficit, sent to the board before the meeting via e-mail: (1) On-line November edition of the Forester. (2) Reduce supplemental security in Oct and Nov with a lesser decrease in December. It would take 156 memberships to offset that cost and the executive board wanted everyone to know what is going on. A motion to approve the cuts was voted on (via roll call) and approved.

A motion was made to return the fiscal year from currently running from January to December to July to June per our bylaws and to have a short budget year from January to June 2017. This would line up better with the membership drive, which is in the summer. Board (via roll call) voted and approved.

It was noted that when memberships fall short, it makes it difficult to do all these things we do. Membership is \$25 – if half of the residents would join, we would be fine. Those present were encouraged to help push this civic association forward and strengthen our membership for the next generations. Knock on your neighbor's door to see if they have signed up as a member.

President Vanasdale presented the various things which Forest Park does for and in the community including being part of the Northland Community Council (NCC), participation in City Hotel law being passed, Family Picnic, July 4<sup>th</sup> parade, participation with the 161 Task Force and Kick Butt Columbus cleanups, upkeep of the NCC flower boxes on 161. We asked the city to improve traffic flow at the Karl & Sandalwood intersection, which resulted in an additional street light followed by striping to show where to turn. PJ Phillips and husband Steve restarted the Welcome Committee. The 2016 Directory was produced. The Forester has been delivered to every house for past 5 months--thank you George--by HS STEM Clubs and volunteers. Supplemental Security patrols continued plus many other events.

President Vanasdale introduced Mike Stone to be the clearinghouse/one stop contact for volunteers. Mike will be looking for people who are willing to make phone calls and communicate with volunteers

The September 2016 meeting was adjourned at 8.17 pm.

# President's Message

By Ed Vanasdale

The Forest Park Civic Association officers and I thank every resident who took time to attend the September 13 th FPCA meeting. Some very important decisions were made which you can read about in the secretary's

minutes. One of those involves the Forester whose November publication will be on line only. In order to find the Forester on line go to [www.fpcivic.org](http://www.fpcivic.org).

We are working on a one click link to lead you to the Forester. It should be operational before November. Thank you for your patience as we are working on a permanent solution for the delivery of "The Forester". Hope to see you at the October meeting at 7:00 on October 11 at Epworth Methodist Church on Karl Road.
